Town of Grand Island - Regular Meeting # 10

COMMUNICATIONS – TOWN BOARD:

SUPERVISOR JOHN C. WHITNEY:

Resolution Regarding NYS Parks Inadequate Mowing

A motion was made by Supervisor Whitney, seconded by Councilman Madigan to adopt the following Resolution regarding NYS Parks Mowing:

WHEREAS, the New York State Parks Director Mark Thomas, as part of his justification for closing the Grand Island NY West River Parkway, in his November 9, 2016 communication (posted on-line at Parks) stated “once no longer a road, park will be maintained as parkland with *increased mowing* and pruning of vegetation”. This commitment was in direct response to area resident concerns about lack of appropriate maintenance by NYS DOT and NYS Parks committed to resolve their concern and used it to justify the closure of the Parkway; *and*

WHEREAS, While the Town Board recognizes the 80/20 Plan was viewed by Parks as a compromise, it is in fact a breach of the commitment made in 2016. In a recent survey, 226 of 232 respondents were opposed to any high mow areas. The resident’s position is that *High Mow sections DO NOT BELONG in RESIDENTIAL neighborhoods*. They create tick, mosquito and rodent breeding grounds that should not be part of ANY MOWING PLAN in a residential area, especially when alternate low use non-residential areas exist here within our parks *and the Town Board supports this position; and*

WHEREAS, Inspection of the high mow areas in May 2023 found unsightly un-mowed areas that obstruct sightlines to the river and that are unsightly

Now Therefore be it RESOLVED, that the Town Board of the Town of Grand Island does hereby support the request of the West River Property Owners and Park Users to remove the “High Mow” areas in the aforementioned median and requests that New York State Parks fulfill their original 2016 commitment, stated above.

And be it Further RESOLVED, that the Clerk shall forward certified copies of this Resolution to the Commissioner of NYS Parks Kulleseid, Parks Western District Director Mistretta, Governor Hochul, Senator Ryan, Assemblyman Morinello, others as deemed necessary and proper.

APPROVED Ayes 5 Madigan, Marston, Digati, Bahleda, Whitney

Request Authorization to Sign Letter of Support – WNY Land Conservatory

A motion was made by Councilman Madigan, seconded by Councilman Marston to authorize the Supervisor to sign the letter of support for the Western New York Land Conservancy’s plan to purchase and protect parcel of the Pfohl family, totally 42 acres on East River Road. The property includes Niagara River shoreline as well as a portion of Spicer Creek. The Land Conservancy intends to transfer ownership of the Pfohl property to NYSDEC for ownership and long-term maintenance, adding to the diversity and acreage of protected natural lands that preserves the rural character of Grand Island.

Increase and Improvement of Facilities of the Town of Grand Consolidated Water District (Consolidated Water District Pump Station Improvements-2023) – Set Public Hearing

A motion was made by Councilman Marston, seconded by Councilman Digati to adopt the following resolution setting a Public Hearing for Monday, June 26, 2023, at 8:00p.m.:

WHEREAS, the Town Board of the Town of Grand Island (herein called “Town Board” and “Town”, respectively), in the County of Erie, New York, has, pursuant to Town Law, created the Town of Grand Island Consolidated Water District (the “District”); and

WHEREAS, the Town Board has directed Wendel, competent engineers licensed in New York, to prepare a map, plan and report for a water system capital improvements project within the District; and

WHEREAS, such water system capital improvements project will generally consist of improvements to the various pump stations in the Town, such improvements to include, but not be limited to, the replacement and installation of new vertical turbine pumps at the Raw Water Pump Station; the installation of a new Cla-Val pressure regulating valve and lower horsepower pumps at the Whitehaven Tank Pump Station; the installation of new vertical turbine pumps and converting from the current horizontal pumps at the High Service Pump Station; along with the installation of: new check valves, isolation valves, variable frequency drives (VFDs), piping modifications,

Monday, June 5, 2023 - 4

Town of Grand Island - Regular Meeting # 10

structural modifications and electrical wiring, as well as other such improvements as more fully identified in (or contemplated by) such map, plan and report referred to above, all of the forgoing to include all necessary site work, equipment, apparatus and other improvements and costs incidental thereto and in connection with the financing thereof (collectively, the "District Improvement"); and

WHEREAS, pursuant to the direction of the Town, the Engineer has completed and filed with the Town Board such preliminary map, plan and report for such increase and improvement of facilities of the District and has estimated the total cost thereof to be an estimated maximum amount of \$1,830,000; said cost to be financed by the issuance of serial bonds of the Town in an aggregate principal amount not to exceed \$1,830,000, offset by any federal, state, county and/or local funds received.

NOW, THEREFORE, BE IT ORDERED that a meeting of the Town Board of the Town of Grand Island will be held at the Town Hall, 2255 Baseline Road, Grand Island, New York, on June 26, 2023 at 8:00p.m. o'clock p.m. (prevailing Time) or shortly thereafter to consider said increase and improvement of facilities of the District and to hear all persons interested in the subject thereof concerning the same and for such other action on the part of the Town Board with relation thereto as may be required by law; and be it

FURTHER ORDERED, that the expense of said increase and improvement of the facilities shall be financed by the issuance of serial bonds of the Town in an aggregate principal amount not to exceed \$1,830,000, said amount to be offset by any federal, state, county and/or local funds received, and, unless paid from other sources or charges, the costs of said increase and improvement of facilities shall be paid by the assessment, levy and collection of special assessments from the several lots and parcels of land within the District, which the Town Board shall determine and specify to be especially benefited thereby, so much upon and from each as shall be in just proportion to the amount of benefit conferred upon the same, to pay the principal of and interest on said bonds as the same shall become due and payable, except as provided by law; and be it

FURTHER ORDERED, that this resolution shall constitute the declaration (or reaffirmation) of the Town's "official intent" to reimburse (to the extent permitted) the expenditures of said increase and improvement of facilities with the proceeds of bonds, notes or other obligations, as required by United States Treasury Regulations Section 1.150-2; and be it

FURTHER ORDERED, that the Town Clerk publish at least once in each newspaper designated as the official newspaper of the Town for such publication, and post on the sign board of the Town maintained pursuant to subdivision 6 of Section 30 of the Town Law, a copy of this Order, certified by said Town Clerk, the first publication thereof and said posting to be not less than ten nor more than 20 days before the date of such public hearing.

DEPARTMENT OF ENGINEERING & WATER RESOURCES – ROBERT H. WESTFALL:

Monday, June 5, 2023 - 5

Town of Grand Island - Regular Meeting # 10

Garbage Collection & Disposal Contract – Renewal 1/1/2024-12/31/2026

Town Engineer Robert Westfall report that the current Garbage Collection & Disposal Contract expires December 31, 2023. Casella Waste Management of NY, Inc. expressed interest in renewing the current Garbage Collection & Disposal Contract for the additional three (3) years at the current terms of the contract in regard to services provided and annual price adjustments. A three (3) year renewal will extend the contract to December 31, 2026. The current contract allows for a renewal of up to five (5) years at current contract terms.

A motion was made by Councilman Digati, seconded by Councilman Bahleda to accept the recommendation of the Town Engineer and renew the current contract with Casella Waste and Management of NY, Inc. for an additional three (3) years with a new contract end date of December 31, 2026.
